

CASE STUDY MCDONALD'S

ANNUAL KWH SAVED

180,526

ANNUAL SAVINGS

\$23,002.61

ENERGY REDUCED

80.3%

PAYBACK 1.2 YEARS

CHALLENGE: McDonald's had already replaced the parking lot lighting with LED but experienced lack of performance and failure almost immediately.

SOLUTION: After trying numerous lighting solutions they called Tenesis to solve the issues. We were able to analyze their situation and provide the best solution for them and have since done multiple projects with them successfully.

"The choice to use Tenesis was certainly the right one for reliability, value, and an outstanding warranty."
