ANNUAL KWH SAVED

100,143

ANNUAL SAVINGS

\$13,386.54

ENERGY REDUCED

80.4%

PAYBACK 2.2 YEARS

CHALLENGE: Nation Pizza Products, with major budget concerns, had a goal to reduce the energy consumed with the exterior lighting and increase the light levels at the same time for their 24 hour operation. There were multiple fixture sizes and wattages to deal with and changing them to new fixtures did not fit into the budget.

SOLUTION: Tenesis installed LED retrofits with a multiple wattage selection that fit in all the different size fixtures to reduce their energy by over 80% while increasing light levels for the safety they required.
